MEMORANDUM FOR: Herbert Hetu
Director, Public Affairs

FROM

:

Chief, Pictorial Services Branch, OCR

SUBJECT

: The film "CIA Case Officer: John 'Bob' Stockwell"

Herb:

1. I want to follow up on our conversation of last evening to reaffirm the fact that the Institute for Policy Studies film production, "The CIA Case Officer: John 'Bob' Stockwell" has arrived. It is in 16mm film format, color, and has a running time of thirty minutes. If I were to over simplify in providing a one sentence summary of the film, it would be to say that... "it is a biography of Stockwell who is saying, if the CIA had listened to me the world would be a lot better off..."

2. I plan to have DDO, OS, and OGC screen; just wanted to alert you to this one.
